Some that have been left behind...

Dogs and cats who are waiting to be sponsored

At the SPCA Malta there are dogs and cats who may never be re-homed. Some of them have been so badly treated and others have been abandoned to fend for themselves. They have lots of love to give and all they want in return is to be loved by you.

Kiki

I am the grandmother who brings up the babies! I am a bit too quiet, but watch me when I get a present!

Rupert

I am a chirpy happy chap with so much energy, very bouncy and I run super fast. I may look appealing but I am sometimes a bad boy!

Strega

Football, I love it! I'm a loner and never had a proper owner. I am an old timer who's here to stay at the SPCA!

Buster

I am a big, big handsome hound but very shy and nervous of everything except my 'wife' and my doggie pals at the SPCA.

Tiny

I love hiding and getting into mischief! I am a very shy timid lady but I smile a lot, especially at dinner time!

Mopsy

People say I don't look my age! I am such a nervous girl. I prefer my own company but I love kisses and hugs!
